

## Making the Common Core Come Alive

### in the Middle School Mathematics Classroom

### A Three Day Mathematics Academy for 6-8 Math & Special Ed Teachers

Join math teachers and school instructional leaders from across the region to learn more about connecting the implementation of the Common Core Standards to your classroom instruction and how to take this work to the next level. In addition to leading and facilitating participant's learning throughout the Academy, trainers will model teaching lessons aligned with common core standards. Participants should expect to be actively engaged throughout the Academy in expanding their personal "toolkits" of ideas and strategies that they can take back to their classrooms for immediate use including classroom-ready common core student tasks

#### Participants Outcomes:

- Closely examine the standards at each middle school grade level.
- Deepen understanding of how to move to a student-centered classroom and of how to weave the eight Standards for Mathematical Practice into lessons.
- Analyze exemplary researched-based versions of common-core tasks for rigor, application of the Standards of Mathematical Practice, and potential for higher levels of student engagement.
- Build teacher capacity for developing their own student-centered tasks.
- Share ideas and network with colleagues around "what worked" during the first year of the Common Core implementation.
- Discuss and model best-practice instructional strategies to support the transition to the Common Core.
- Facilitate participants' reflections on their own current teaching practice and how to move to the next level
- Leave with online access to 6<sup>th</sup>, 7<sup>th</sup> and 8<sup>th</sup> grade Common Core aligned tasks for EVERY standard.

This workshop will be offered at two locations across the GRREC region. (A maximum of 50 teachers will be accepted at each site.) The locations/dates are as follows...

#### Location Choices:

**Russell County** – September 12<sup>th</sup>, October 16<sup>th</sup>, November 13<sup>th</sup>

*(Russell County Schools Auditorium/Natatorium Complex - 2167 S Hwy 127 – Russell Springs)*

**Owensboro** – September 26<sup>th</sup>, October 31<sup>st</sup>, November 14<sup>th</sup>

*(District Office - 450 Griffith Avenue - Owensboro)*

<b>For:</b>	6-8 Mathematics Teachers and Special Education Teachers
<b>Dates &amp; Locations:</b> <i>(choose one location)</i>	<b>Russell County</b> – September 12, October 16, and November 13 or <b>Owensboro</b> – September 26, October 31, and November 14
<b>Time:</b>	8:30-3:30 (CST) Registration/Continental Breakfast begin at 8:00 a.m. (Lunch is on your own.)
<b>Cost:</b>	\$250 per teacher <b>OR</b> \$800 per team (3 regular education and 1 special education teacher) (cost includes 3 days of Professional Development, continental breakfasts and materials)
